OUTPUT

The screenshot shows a web browser window with a single tab titled 'FASHION recommender'. The address bar displays a file path: 'C:/Users/ELCOT/Desktop/project%20development%20phase/project%20development-delivery%20off%20sprint-1/registration%20page/re...'. The main content area features a registration form with the title 'REGISTER' in large, bold, white letters. Below the title are four input fields, each with a label and a white text box: 'Full Name:', 'User Name:', 'Email:', and 'Password:'. A 'Register' button is positioned below the password field. The background of the form is a high-quality image of a fashion show runway, filled with a large, diverse audience seated on both sides, looking towards the center. The Windows taskbar is visible at the bottom, showing the search bar, several application icons, and the system clock indicating 09:38 on 18-11-2022.
